## Summer is for Adults, Too

There's no denying it. Though we have something for everyone, summer vacation (and Summer Reading by extension) is a *bit more fun* when you're a kid. We've got Summer STEAM, Summer Story Hours, teddy bears and cupcakes... and while we've got plenty for our older patrons, once you've

outgrown reading logs there's just less excitement on your day to day library visits. And that's a shame! It's summer! It's a special occasion! Shouldn't adults get to have fun too?!

That's why this year, we're offering a little something extra in the form of the **Library Passport**! Open to everyone from adults to teens and preteens, the Library Passport is a way to track the adventures you have at the library, challenge yourself to explore BML's offerings, and create a souvenir you can look back on at the end of summer.

Get started by visiting the library from June 27th and picking up your blank passport. Then just bring it with you when you visit BML, be it for Coffee Hour, book group, or stocking up on beach reads! Collect stickers and stamps when you attend events and earn more passport rewards when you use library services and borrow books. Keep using the library to fill up the pages with a record of your adventures!

Think of it as a chance to try that thing you've had in the back of your mind but never gotten around to. Borrow that movie you've been meaning to watch and collect your sticker and take home that rainy day puzzle for another! Take a look at some new authors, try a genre you don't normally read... and bring it all back at the end of summer for a a chance at some *exclusive* rewards.

Hopefully it'll be a lot of fun! At the very least, it's the chance to get a cute little notebook and some adorable stickers to fill it with. But I'm the designer, so of course *I'd* think they're adorable... you'll just have to come in and judge for yourself! Blaisdell will be here all summer long, with the passports and way more just waiting for you to explore.

...with the AC on.
