BML is Back!

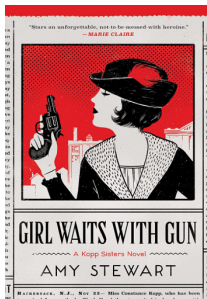

The library reopens just in time for a season of thrills and chills!

September and October have been marked by several extended closures in order to make necessary repairs and major renovations to the library building. We appreciate our patron's patience during this process and are happy to welcome you all back!

October is the month of Halloween, and in celebration of the season as well as a way to show gratitude to our community for their help and support, we're going to be holding a big Halloween & Fall Festival on October 31st! See library events for more details.

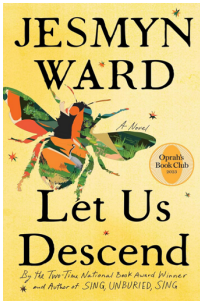

Calendars for October are now available online and in the library.

Children's Programs

Our first fall programming session finishes on Friday, October 18th. After this point, programs will be on break for two weeks. Sign-ups for after school programs will begin on October 22nd. The Fall/Winter programming session will begin on November 6th and run for six weeks.

There will be no STEAM club on November 5th. The first session will be held on November 12th, instead.

Story hours are drop-in and open to all ages: Lap-sit and pre-school age children are both welcome. Sign-ups are required for all after-school programs.

Due to high interest and limited space, sign-ups for Lego + and STEAM Club use a lottery system. Priority is first given to participants on the waiting list from the last session. For the remaining spaces, sign-ups submitted between the 22nd and 26th will be entered into a pool. At the end of the sign-up period, we will draw from that pool to determine the session's club members.

-
- **Story Hour with Miss Julie and Miss Robin:** *Tuesdays, Thursdays, and Fridays -- 10am*
 - **STEAM Club (Grades 3 - 6):** *Tuesdays -- 3pm*
 - **LEGO+ Club (Grades K - 2):** *Thursdays -- 3pm*

Youth Programs

- **Middle School Club (Grades 6 - 8):** *Wednesdays -- 3pm*

The Middle School Club is for library-loving kids to get together in the library after school to try out crafts, creative writing and games! Perfect for preteens who're hitting middle school and want to have some fun when class is done!

*The Middle School Club is part of our regular programming sessions. For more information about the current programming dates, see **Children's Programs**.*

- **BYG:** *Wednesday, November 6th & November 20th -- 6pm*

The BYG (*Blaisdell Youth Group*) is a club for teens in middle and early high school to get together, make friends, discuss books, and participate in fun activities, including gaming, book clubs, crafts, and more! New members are always welcome and no registration is required--you can drop in at any time or even bring a friend.

Meetings alternate between regular sessions and tabletop game sessions.

Thanksgiving! (a little bit early)

Have you seen the new BML?

I've mentioned it in the last two newsletters, but you would not believe the transformation! I still smile when I see a patron do a double-take upon entering the building and I can't blame them. We've made so many changes and renovations that it almost feels like a brand new place! And while we shouldn't need to close again, we've still got more improvements in mind!

But with the largest projects complete, we don't want to wait til November to start sharing our thanks. Hours of work went into the library over the past weeks, and we couldn't have done any of it without the generous assistance of the Friends of the Library and volunteers throughout the community. We truly cannot thank you enough for everything you've done to help make BML the best it can possibly be. We couldn't have done it alone!

We'll be showing our thanks to everyone on October 31st, during our Halloween & Fall Festival. We're packing it full of as many fun activities and delicious food as we can so that we can begin to give back to the community for all of your support. Come on in to have fun and celebrate everyone who donated their time and effort to helping the library!

We also want to thank the generous grants that helped fund projects like the garden improvements, as well as a bequeathment by one of our late patrons. The gift that he left to the library has helped us to make major upgrades to the building and expand our collection. He was a regular at BML, full of life and with an appetite for horror novels that we were happy to feed.

In his memory and in recognition of his gift, BML is expanding our horror offerings across the library and will be showcasing them in our Halloween Festival. We hope to give patrons a chance to explore the different directions that horror can take and try a new read that'll thrill and chill!

Personally, I always get the craving for horror right about this time. I know it can be an acquired taste, but the genre can encompass so many types of story from eerie thrillers to gory slashers to haunting gothic romances... and one of them might just be up your alley!

Even if not, still drop by... We've got candy, we've got decorations, and I've got my outfit all picked out! And of course, we've got all the usual things you expect from the library, ready and waiting for you to arrive.
